# ACKNOWLEDGEMENTS

Primarily, I would like to thank God Almighty for giving me the strength, knowledge, ability, and opportunity to undertake this research study and to persevere and complete it satisfactorily.

I am deeply indebted to **Dr. S. P. Shukla**, Principal Scientist, Aquatic Environment and Health Management Division, CIFE, Mumbai, and consider working under his guideship the most incredible privilege. This endeavor would not have been possible without his unparalleled knowledge, valuable guidance, and support throughout the entire project. Words cannot express my gratitude to him for his guidance, continuous motivation, support, constant supervision, patience, understanding, guidance, and immense knowledge in preparing this dissertation.

I also extend my sincere gratitude towards **Dr. Ravishankar C. N.**, Director, Central Institute of Fisheries Education and **N.P. Sahu**, Joint Director, Central Institute of Fisheries Education, Mumbai, for providing all possible facilities to complete this dissertation work successfully. I sincerely thank **Dr. K. V. Rajendran**, former HOD of the Aquatic Environment and Health Management Division, CIFE, Mumbai, for his admirable guidance, support, and valuable suggestions. I also extend my gratitude to **Dr. Megha Bedekar** for her support and encouragement.

I wholeheartedly express my profound sense of gratitude to my advisory committee member, **Dr. Sanath Kumar H.**, Principal Scientist, FRMPHM Division, ICAR CIFE, Mumbai, for his constant encouragement, valuable suggestions, erudite counselling, and kind help during the entire period of my work. I heartily thank another advisory committee member, **Dr. Saurav Kumar**, Scientist, AEHM Division, ICAR-CIFE, Mumbai, without whose advice and supervision it was impossible to complete my study's data analysis. I sincerely thank my advisory committee member, **Dr Mukunda Goswami**, HoD and Principal scientist, FGB Division, ICAR CIFE, Mumbai, for his encouragement and support.

I want to express my heartfelt thanks to **Dr. Kundan Kumar**, Scientist, AEHM Division, ICAR-CIFE, Mumbai, and **Dr. Vidya Shree Bharti**, Scientist, AEHM Division, ICAR-CIFE, Mumbai, Dr., for their kind help and immense support throughout my research.

It is my privilege and pleasure to acknowledge **Dr. Manjusha L.**, Senior Scientist, **Dr. Layana P.**, Scientist and **Dr. Deepitha R.**, Scientist, FRHPHM Division, ICAR-CIFE, Mumbai for their support and encouragement during the entire course of my work.

The financial assistance provided by the Indian Council of Agricultural Research (ICAR), New Delhi, and CIFE, Mumbai, in institutional fellowship is greatly acknowledged.

This work was supported by the **Marine Biological Association of India (MBAI) (Dr E. G. Silas Small Grant Programme 2022)** Kochi. My sincere gratitude and thanks to MBAI, Kochi, for providing this financial assistance., which helped me meet many research expenses and perform many outsourcing analyses.

I am thankful to the **Sophisticated Analytical Instrument Facility (SAIF), IIT Bombay**, for allowing me to use their instruments during FTIR analysis. I Particularly appreciate their quick responses and analysis.

I express my heartiest thanks to my senior, **MS. Aswathy Maam**, someone whose help cannot be overestimated and who has always provided invaluable advices and unparalleled support. I am always thankful for your love and profound care throughout my research.

I sincerely thank lab assistants **Mr. Akhil bhaiya, Mr. Mahendra bhaiya, Mr. Umesh bhaiya, and Mr. Chandrakanth bhaiya** for their continuous support throughout my research.

My sincere gratitude to my seniors, **Mr. Pritham, Mr. Ganesh, Mr. Amal, Mr. Bhautik, Mr. Baleswar, Mr. Sudarshan, Mr. Debiprasad, Mr. Tao, Mr. Arun, Ms. Priya, Ms. Sakshi, Ms. Shamika**, helpful advice, untiring guidance, constant cooperation and encouragement.

I render my heartfelt appreciation and gratitude to my dear batch mates from the division **Anjana, Nagendra, Vipul, Puja, Swaraj, Dharani, and Rishika** for their kind encouragement and help. I will cherish the time we spent together in class and outside for the rest of my life. I express my indebtedness and gratefulness to my dear friends **Sruthy, Arsha, Vaajid, Anisha, Praveena, Aiswarya, and Varsha** for their moral support, inspiration, and unending friendship and memories that I will cherish for a lifetime. I would also like to recognize **Kisun, Jerusha Maam, Sahana Maam Deeksha Maam, Sanju, Krishna Veni, and Prerna** for their active help, advice, guidance, and suggestions during my research work.

My heartfelt thanks to all my lovely juniors, **Khandu, Sneha, Mayuri, Urmila Rajeev, Anika, and Ajith**, for their kind encouragement and help.

Thanks to my best friends, **Aparna and Yash**, who have always encouraged me, never let me down when times have got hard, and pushed me forward.

The love, blessings, and encouragement of my **father, Suresh**, my **mother, Bindu**, and my **brother, Aswin**, made it possible for me to complete this work and pursue my education. Thanks to **Amma, Achan, and Aswin** for everything. Without them, I might not be the person I am today. I lovingly dedicate this work to them.

Date: 31<sup>st</sup> August 2023

Place: Mumbai M.F.S.c student, ICAR-CIFE
